

Office of Research Centers and Institutes

Achievement and Assessment Institute (AAI)

Neal Kingston, Director

- **Agile Technology Solutions**
Susan Dressler Martin, Director
- **Center for Education Opportunities Programs**
Ngondi Kamatuka, Director
- **Center for Education Testing and Evaluation**
Marianne Perie, Director
- **Center for Public Partnerships and Research**
Jackie Counts, Director

Biodiversity Institute

Leonard Krishtalka, Director

- **Biodiversity Research and Collections**
 - **Archaeology**, Mary Adair
 - **Biodiversity Modeling & Policy**, Jorge Soberon
 - **Botany**, Craig Freeman
 - **Entomology**, Michael Engel
 - **Herpetology**, Rafe Brown
 - **Ichthyology**, Leo Smith
 - **Invertebrate Paleontology**, Bruce Lieberman
 - **Invertebrate Zoology**, Kirsten Jensen
 - **Mammalogy**, Maria Eiffer
 - **Ornithology**, Rob Moyle
 - **Paleobotany**, Edith Taylor
 - **Parasitology**, Kirsten Jensen
 - **Vertebrate Paleontology**, K. Christopher Beard
- **Biodiversity Informatics**, James Beach, Associate Director
- **Natural History Museum**
Leonard Krishtalka, Director
 - **Exhibits**, Greg Ormay
 - **Education**, Teresa MacDonald
 - **Visitor Services**, Kitty Steffens
- **Paleontological Institute**
Paul Selden, Director
- **The Commons** (with the Hall Center for the Humanities Spencer Museum of Art), Leonard Krishtalka, Victor Bailey, and Saralyn Reece Hardy, Directors

Center for Environmentally Beneficial Catalysis (CEBC)

Bala Subramaniam, Director

Center for Remote Sensing of Ice Sheets (CRE SIS)

Prasad Gogineni, Director

Hall Center for the Humanities

Victor Bailey, Director

- **The Commons** (with the Biodiversity Institute and Spencer Museum of Art), Leonard Krishtalka, Victor Bailey, and Saralyn Reece Hardy, Directors
- **Institute for Digital Research in the Humanities** (with CLAS and the Libraries)
- **The Langston Hughes Center**
Shawn Alexander, Director
- **Area Studies**
 - **Center for East Asian Studies**
Changhwan Kim, Director
 - **Center for Global and International Studies**
John Kennedy, Director
 - **Center for Russian, East European and Eurasian Studies**, Vitaly Chernetsky, Director
 - **Center of Latin American Studies**, Santa Arias, Director
 - **Global Indigenous Nations Studies Program**
Stephanie Fitzgerald, Director
 - **Kansas African Studies Center**
Elizabeth MacGonagle, Director

Higuchi Biosciences Center (HBC)

William Picking, Director

- **Center of Biomedical Research Excellence (COBRE), Cancer Experimental Therapeutics**
Barbara Timmermann, Director
- **Center of Biomedical Research Excellence (COBRE), Protein Structure and Function**
Robert Hanzlik, Director
- **NIH Chemical Methodologies and Library Development Center of Excellence**
Jeffrey Aube, Director
- **NIH Specialized Chemistry Center**
Jeffrey Aube, Director

Information and Telecommunication Technology Center (ITTC)

Perry Alexander, Director

- **Bioinformatics and Computational, Life Sciences Laboratory**, Jun (Luke) Huan, Director
- **Communications and Signal Processing Laboratory**
Erik Perrins, Director
- **Computer Systems Design Laboratory**
Prasad Kulkarni, Director
- **e-Learning Design Laboratory**
Govind Vedala
- **Information Assurance Laboratory**
Bo Luo, Director
- **Media Innovations Laboratory**
Michael Williams, Director
- **Networking Systems Laboratory**
James Sterbenz, Director
- **Radar Systems and Remote Sensing Laboratory**
Shannon Blunt, Director

Institute for Policy & Social Research (IPSR)

Steven Maynard-Moody, Director

- **Center for Environmental Policy**
Dietrich Earnhart, Director
- **Center for Indigenous Research, Science, & Technology**
Jay Johnson, Director
- **Center for Migration Research**
Cecilia Menjivar and Victor Agadjanian, Co-Directors
- **Center for Military, War, and Society Studies**
Beth Bailey, Director
- **Center for the Study of Injustice**
Hannah Britton, Director
- **Center for Science, Technology, and Economic Policy**
Donna Ginther, Director
- **Center for Research on Global Change**
Joane Nagel, Director
- **Surveillance Studies Research Center**
Bill Staples, Director

Institute for Bioengineering Research

Paulette Spencer, Director

Kansas Biological Survey

Edward Martinko, Director

Kansas Geological Survey

Rolfe Mandel, Interim Director

Schiefelbusch Institute for Life Span Studies (LSI)

John Colombo, Director

- **Beach Center on Disability**
Michael Wehmeyer, Director
- **Biobehavioral Neurosciences in Communication Disorders Center**
Mabel Rice, Director
- **Center for Research on Learning**
Mike Hock, Director
- **Child Language Doctoral Program**
Mabel Rice, Director
- **Gerontology Center**
David Ekerdt, Director
- **Juniper Gardens Children's Project**
Charles Greenwood, Director
- **Kansas Center for Autism Research and Training**
Debra Kamps, Director
- **Kansas Intellectual and Developmental Disabilities Research Center**
John Colombo, Director
- **KU Center on Developmental Disabilities**
Michael Wehmeyer
- **Merrill Advanced Studies Center**
Mabel Rice, Director
- **Research and Training Center on Independent Living**
Glen White, Director
- **Schoolwide Integrated Framework for Transformation Center**
Wayne Sailor, Director
- **The Life Span Institute at Parsons**
David Lindeman, Director
- **Work Group for Community Health and Development**
Vince Francisco & Jerry Schultz, Co-Directors

Tertiary Oil Recovery Program

Shahin Negahban, Director

Core Research Resource Labs

- **Biotechnology Innovation and Optimization Center (BIOC)**
Michael Baltezor, Director
- **Biomedical Research Centers**
 - **Animal Care Unit**
William Hill, Director
 - **High Throughput Screening Laboratory**
Anu Roy, Director
 - **Microscopy and Analytical Imaging Laboratory**
Eduardo Rosa-Molinar, Director
- **Instrumentation Design Lab**
Kenneth Ratzlaff, Director
- **Molecular Structures Group**
 - **Mass Spectrometry and Analytical Proteomics Laboratory**
Todd Williams, Director
 - **Molecular Graphics & Modeling Laboratory**
Justin Douglas, Interim Director
 - **Nuclear Magnetic Resonance Laboratory**
Justin Douglas, Director
- **Molecular Structures Group, cont.**
 - **X-Ray Crystallography Laboratory**
Victor Day, Director
- **Collaborating Laboratories:**
 - **Biomolecular NMR (COBRE)**
Justin Douglas, Director
 - **Protein Production Core Laboratory (COBRE)**
Fei Philip Gao, Director
 - **Protein Structure Laboratory (COBRE)**
Scott Lovell, Director
