KUCR Pre-Award Services provides this select compilation of funding opportunities as a resource for University of Kansas Researchers. We encourage you to utilize the campus subscription to PIVOT to find funding opportunities specifically tailored to your research area based on keywords you provide. PIVOT is easy to use and offers other valuable services that are helpful to researchers. Access is available at this site: https://pivot.cos.com

If you have questions regarding PIVOT, please contact Jenni Wiles at jwiles@ku.edu or 864-7423.

**Upcoming Funding Events/News**

**Thursday Research Topics: Research Development and Collaboration**
Bob Rummer, Director of Research Development
November 13, 2014
11:00 am - 11:45 pm
Simons Laboratories, Auditorium
For more information, contact Bill Sharp (785-864-7430, wsharp@ku.edu) [http://research.ku.edu/thursday_research_topics_TRT_sessions](http://research.ku.edu/thursday_research_topics_TRT_sessions)

The **U.S. Agency for International Development (USAID)** has launched **Fighting Ebola: A Grand Challenge for Development**, in coordination with the White House Office of Science and Technology, the Centers for Disease Control and Prevention and the Department of Defense. This Grand Challenge for Development will provide rapid solutions to countries that need help the most.

**Join a global conversation** with an online community of solvers hosted by OpenIDEO around key areas. Add your stories and insights to the **Research phase** or head straight to the **Ideas phase** and contribute to a mission that inspires you.

**Submit ideas to our open call for innovation** to identify, develop and test some of the most promising innovations through challenge grants and partnerships.

**National Science Foundation Invites RAPID Proposals Addressing Ebola**
NSF is soliciting Rapid Research Response (RAPID) proposals to conduct non-medical, non-clinical care research that can be used immediately to better model and understand the spread of Ebola, educate about prophylactic behaviors, and encourage the development of products, processes, and learning that can address this global challenge.

**Pre-Award Services: Email: kucrpremgmt@ku.edu or nbiles@ku.edu; Phone: 864-7434**
**Research Development: Email: researchdevelop@ku.edu; Phone: 864-3289**
