KUCR Pre-Award Services provides this select compilation of funding opportunities as a resource for University of Kansas Researchers. We encourage you to utilize the campus subscription to PIVOT to find funding opportunities specifically tailored to your research area based on keywords you provide. PIVOT is easy to use and offers other valuable services that are helpful to researchers. Access is available at this site: https://pivot.cos.com

If you have questions regarding PIVOT, please contact Jenni Wiles at jwiles@ku.edu or 864-7423.

**Upcoming Funding Events/News**

**US Department of Education Webinar**
**Fulbright-Hays Group Projects Abroad Program (GPA) Short-Term Projects**
**Thursday, March 5, 12:00 pm**
The Group Projects Abroad Program (GPA) Short-Term Projects provides grants to support overseas projects in training, research, and curriculum development in modern foreign languages and area studies for teachers, students, and faculty engaged in a common endeavor.
Additional information on how to register and attend the webinar as well as to access the GPA application package is available at http://www2.ed.gov/programs/iegpsgpa/applicant.html

**National Institutes of Health**
The NIH expects principal investigators of NIH supported grants and contracts to serve on NIH peer review groups, when asked. These groups include Scientific Review Groups (or “study sections”) in the initial peer review of grant applications and technical evaluation of R&D contract proposals, National Advisory Boards or Councils (NACs) for second-level peer review, NIH Boards of Scientific Counselors (BSCs) for intramural programs, and Program Advisory Committees (PACs) for initiative development and concept review.
