KUCR Pre-Award Services provides this select compilation of funding opportunities as a resource for University of Kansas Researchers. We encourage you to utilize the campus subscription to PIVOT to find funding opportunities specifically tailored to your research area based on keywords you provide. PIVOT is easy to use and offers other valuable services that are helpful to researchers. Access is available at this site: https://pivot.cos.com

If you have questions regarding PIVOT, please contact Jenni Wiles at jwiles@ku.edu or 864-7423.

**Upcoming Funding Events/News**

**NIH Salary Cap increased to $183,300 effective January 11, 2015.**

**Medical Devices: From Research to Patients Summit**
Monday, February 2nd, 2015, 7:30 a.m. – 6:00 p.m.
University of Kansas Medical Center, School of Nursing Auditorium

Join speakers from all aspects of the medical device research-to-products continuum in a TED-like summit. Participants will hear perspectives from entrepreneurs with first-hand knowledge of success, intellectual property experts, and others. The goal of the summit is to inspire collaboration among attendees to help build and grow a robust medical device industry in the region.

New Faculty/New Investigator

COBRE: Nuclear Receptors in Liver Health and Disease

Pilot Projects

**Deadlines: Letter of Intent, January 15, 2015; Full Proposal by Invitation Only, February 16, 2015**

Applications are requested for up to $50,000 funding for a project in the area of liver health and disease. Clinical, basic and translational research projects are all encouraged. A second year of funding will be possible.

**Eligibility:**
Research must fall within the broad area of Liver function and disease. Eligible Investigators must hold a faculty level appointment and meet one or more of the following criteria:

1. New Investigators without previous NIH R01 funding or equivalent.
2. Established investigators who have not previously worked in the Liver Disease field.
3. Established investigators proposing novel work that diverges significantly from their funded research.

**Pilot Project Requirements:**
Letter of Intent should be emailed to Erin Powell at acep-tap@kumc.edu and should include the following information:

- PI’s name and contact information
- Title of the proposed application
- Statement of relevance to the COBRE theme
- Scientific Abstract

Based on this LOI, applicants will be invited to submit complete applications (6 page limit). Anticipated funding start date is April 1, 2015. More details regarding full project application will be made available to those selected.

For Administrative and Budget Questions, contact Erin Powell, Integrated Administrative Support Core Grant Specialist, 913-588-2740, (acep-tap@kumc.edu)

For Project Eligibility and Scientific Questions, contact Steven Weinman, COBRE Pilot Project Director (sweinman@kumc.edu)
