This select compilation of funding opportunities is provided by KUCR Pre-Award Services as a resource for University of Kansas Researchers. We encourage you to utilize the campus subscription to PIVOT to find funding opportunities specifically tailored to your research area based on keywords you provide.

PIVOT is easy to use and offers other valuable services that are helpful to researchers. Access is available at this site: https://pivot.cos.com

If you have questions regarding PIVOT, please contact Jenni Wiles at jwiles@ku.edu or 864-7423.

IES Webinar on the FY2015 Education Research and Development Centers Competition
**Tuesday, June 10, from 1PM to 3PM**
To register for this webinar, click here.

IES Research and Development Centers produce and disseminate rigorous research and provide national leadership on specific education topics. For FY 2015, NCER is competing three Research and Development Centers, one in each of the following topic areas: Knowledge Utilization, Standards in Schools, and Virtual Learning. IES staff will conduct a webinar for potential applicants that will describe the focus of each center, the application requirements, and the peer review process.
