KUCR Pre-Award Services provides this select compilation of funding opportunities as a resource for University of Kansas Researchers. We encourage you to utilize the campus subscription to PIVOT to find funding opportunities specifically tailored to your research area based on keywords you provide. PIVOT is easy to use and offers other valuable services that are helpful to researchers. Access is available at this site: [https://pivot.cos.com](https://pivot.cos.com)

If you have questions regarding PIVOT, please contact Dan Coonfield (dcoonfie@ku.edu, 4-7404).

**Upcoming Funding Events/News**

In order to ensure adequate staffing for upcoming deadlines, Pre-Award Services is asking for a notice of intent for the following funding opportunities:

- **NSF Integrative Organismal Systems (IOS)**
- **NSF Environmental Biology (DEB)**

Please submit a notice of intent by **Monday, December 21**.

Your email response to kucrpremgmt@ku.edu should contain the following information:

- Your name
- Administrative unit for the project (Research center if applicable, or department)
- NSF BIO directorate program (IOS or DEB) to which you are submitting
- Deadline (January 15 for IOS, January 25 for DEB)
- Will this be a collaborative proposal with another institution?
- If so, will KU be the lead institution?

For additional information about the IOS program:

For additional information about the DEB program:

Pre-Award Services will assign a Grant Specialist to assist you with your proposal submission upon receipt of your notice of intent.

Please note that the IOS submission will follow the current NSF proposal submission guidelines, while the DEB submission will follow the new NSF PAPPG. For more details about the new NSF PAPPG, please visit [https://research.ku.edu/significant-changes-nsf-proposals](https://research.ku.edu/significant-changes-nsf-proposals). This site will be updated as more information becomes available.
