KUCR Pre-Award Services provides this select compilation of funding opportunities as a resource for University of Kansas Researchers. We encourage you to utilize the campus subscription to PIVOT to find funding opportunities specifically tailored to your research area based on keywords you provide. PIVOT is easy to use and offers other valuable services that are helpful to researchers. Access is available at this site: https://pivot.cos.com

If you have questions regarding PIVOT, please contact Jenni Wiles at jwiles@ku.edu or 864-7423.

Upcoming Funding Events/News

Intellectual Property Protection Strategies: Best Practices
September 29, 2014, 11:30 am – 1:00 pm
Bioscience and Technology Business Center, Conference Room 109
For more information, and to register:
http://ctc.ku.edu/about/upcoming-events/intellectual-property-protection-strategies

Research Opportunities at the Department of Defense
This discussion will offer insight into the wide variety of research opportunities available through the U.S. Department of Defense. During the session, presenters will highlight the funding goals of the Department of Defense and discuss broader areas of interest. These include health, social sciences, engineering, and computer science.
October 07, 2014, 1:00 pm - 02:30 pm
Spooner Hall, The Commons
For more information, contact Alicia Reed (785-864-3289, amreed@ku.edu)

Chemical and Biological Technologies Department, Defense Threat Reduction Agency
Webinar for STEM faculty and students
Tuesday, 9 September 2014 at 12:00 – 3:30
Meet DTRA Science & Technology Managers and learn how to search for employment, internships, and grant opportunities
For more information and on-line registration:
