KUCR Pre-Award Services provides this select compilation of funding opportunities as a resource for University of Kansas Researchers. We encourage you to utilize the campus subscription to PIVOT to find funding opportunities specifically tailored to your research area based on keywords you provide. PIVOT is easy to use and offers other valuable services that are helpful to researchers. Access is available at this site: https://pivot.cos.com

If you have questions regarding PIVOT, please contact Dan Coonfield (dcoonfie@ku.edu, 4-7404).

**Upcoming Funding Events/News**

**KCALSI: First Annual Midwest Bioinformatics Conference**
University of Missouri-Kansas City
Student Union, Volker Campus
**Thursday, October 15 – Friday, October 16, 2015**
This conference, organized by the Kansas City Area Life Sciences Institute, will bring together bioinformatics-minded researchers from academia and industry to discover capabilities, share tactical approaches to problem solving, explore synergies, and launch potential collaborations. Additionally, the Conference provides an opportunity for bioinformatics students to learn about employment opportunities within the region and employers to meet prospective candidates.
For more information: (816) 753-7700, snewman@kclifesciences.org
To register: http://www.kclifesciences.org/events/first-annual-midwest-bioinformatics-conference/bioinformatics-registration/

**A Celebration of Innovation: A Startup Showcase**
October 7, 2015, 1:00 pm to 5:00 pm
Bioscience & Technology Business Center, 2029 Becker Drive
This half day program will include talks on research and commercialization milestones, new KUIC initiatives, a panel on strategic partnering with company representatives, and a showcase of KU startups.
The inventors networking reception will follow where the third annual Baxendale Innovation Award will be given.
