Name: _____ Academic Rank: _____

Department/School/Unit: _____

Chairperson/Dean/Unit Director: _____

Campus Address: _____ Email: _____

Title of New Faculty Research Project:

Signature of Principal Investigator:

Date:

Signature of Faculty Mentor:

Date:

The NFGRF final report should consist of this cover sheet and the following sections:

1. A one-paragraph summary of the project activities. Any necessary deviations from the activities proposed should be noted in a separate paragraph.
2. A list of the outcomes of the project (e.g., publications, presentations, juried exhibits, professionally produced CDs, scholarly awards, external grants awarded, etc.), with full citations.
3. Abstracts of all project-related publications and grants.
4. Name of the funding agency or foundation, length of the award, and amount of the award for any grants received related to the project.
5. Suggestions for improving the NFGRF award program.
6. A current CV.

Option 2 NFGRF recipients should also include:

1. A copy of the application for external support that was developed from the award.
2. Information on the status of that application.

Please submit your final report within 30 days of the project end date. Please submit the report as a PDF file to nfrd@ku.edu. Questions? Please contact Cari Alfers, KU Office of Research, at cariell@ku.edu or 785.864.3567.
